SPONSORS

The City of Durham's Neighborhood Pride Alliance initiative is a campaign to address and revitalize neighborhoods. The focus of this initiative, as it relates to rental housing, is to develop vibrant and sustainable neighborhoods and to engage property owners in the process. The Landlord Training Workshop is a collaboration between the community and the City of Durham Departments of Neighborhood Improvement Services, Police, Solid Waste Management, Community Development, Water Management, Public Works (Stormwater Services), and Durham City-County Planning Department.

In its pursuit of becoming Durham's leading affordable housing provider, Durham Housing Authority (DHA) seeks to engage the community at large on this critical mission. They are in the housing business, but their focus is on families. They help families with the most basic need in life— shelter.

Legal Aid of North Carolina is a statewide, nonprofit law firm that provides free legal services in civil matters to low-income people in order to ensure equal access to justice and to remove barriers to economic opportunity. We help individuals, families and communities with legal problems affecting basic human needs, such as family, housing, employment and income.
